

F E R V E N C E

FERVENCE IS AN ALTERNATIVE/METAL BAND HAILING FROM THE WESTERN UNITED STATES. THEIR MUSIC BLENDS A WIDE VARIETY OF INFLUENCES INTO A FOCUSED SOUND THAT IS DESCRIBED AS MELODIC, VIOLENT, AND METHODICAL, TAKING INSPIRATION FROM BANDS SUCH AS SILENT PLANET, NORTHLANE, SAOSIN, AND MORE. ORIGINALLY FORMED IN 2017, MEMBERS OF PREVIOUS PROJECTS SUCH AS WALK AWAY ALPHA, MACHINES OF MAN, AND CYBORG OCTOPUS CAME TOGETHER WITH FERVENCE AS AN EXPRESSION OF THE GREATER ISSUES IN BOTH PERSONAL LIFE, AND WITH OTHERS ALIKE.

MIXED AND MASTERED BY JAMIE KING, THEIR DEBUT ALBUM “GHOST” IS A DIALOGUE ON THE GREATER THOUGHTS OF WHAT LIES BEYOND THE PALE, THE IDEA OF LIFE AGAIN, AND THE TRAGIC WAY OF CONTEMPLATING EVERYTHING IN BETWEEN. THE ALBUM ALSO DELVES INTO THE DUALITY OF PERSONAL VALUE, RELATIONSHIPS, TOXICITY, AND WHAT IT FEELS LIKE TO BE HUMAN.

THEIR FOLLOW UP SINGLES “HEZEKIAH // REALM ONE” & “ENTROPY”, MIXED AND MASTERED BY ZACK OHREN, EXAMINE THE CONCEPTS OF UNRAVELING TIME, SIMULTANEOUSLY, THE INEVITABLE UNRAVELING OF OURSELVES, AND THE PSYCHOLOGICAL STRANGLE-HOLD OF BLOODLINE CURSES.

FERVENCE - HEZEKIAH // REALM ONE SINGLE
